The five villages, “CINQUE TERRE” is an area suspended between sea and land, hanging from sheer cliffs surrounded by hills and vineyards. You will enter into a little piece of heaven. By touring the coast line by boat, you will have the possibility to admire this amazing landscape from the seaside*, like in a postcard. (*In the event of rough sea, the visit will be done partly by coach and partly by train.) During the tour, the boat will reach Portovenere and the most important villages. You will be able to stop at PORTO VENERE, VERNAZZA, MONTEROSSO and visit them at leisure.

PORTOVENERE: Portovenere, on the Gulf of Poets, is a UNESCO World Heritage site. Its picturesque harbor is lined with brightly colored houses, while narrow medieval streets lined with shops lead up the hill from the ancient city gate to the castle.

RIOMAGGIORE: Caught between two steep terraced hills descending in steep cliffs to the sea, the ancient village of Riomaggiore strikes visitors with its delightfully colored houses built vertically.

MANAROLA: Built on a high rock 70 metres above sea level, is one of the most charming and romantic villages. The tiny harbor features a boat ramp, picturesque multicoloured houses facing the sea, a tiny piazza with seafood restaurants.

CORNIGLIA: Is an ancient Roman village that has a long and rich agricultural tradition. The village is surrounded on three sides by vineyards and terraces. Its architecture is closer to that of a rural inland village than that of a coastal village.

VERNAZZA: The small fishing village Vernazza is probably the most characteristic of the Cinque Terre and is classified as one of the most beautiful villages in Italy. The village is surrounded by very steeply-terraced olive groves which are said to produce among the finest olive oil in the country.

MONTEROSSO: It is the largest of the five coastal villages. Its amazing beaches, its beautiful reefs and the sea's crystal clear waters, make this small village one of the most hospitable of the Ligurian Riviera.
